I approached our Public Protection Unit (PPU) for assistance with your request. A Researcher within the unit was able to assist me with the below information:

Figures below are year-end snap shot of registered sex offenders in the community.

These figures do not include offenders in prison.

As at 18/12/2017

2015 figures not available, as the teams that managed the offenders in the community are not by geographic area. Instead the teams were managing approximately the same amount, regardless of boundaries.
