Police Buildings Closures

Freedom of Information Request - Reference No: 20180694

REQUEST

- Which police stations have been closed in your force area since 2010? Can you please state which year they closed?
- Which police stations are currently operational and can be accessed by the public?
- Do you have plans to close any police stations in future? If so, please state which ones.
- Do you have plans to close public access to police stations in the future? If so, please state which ones.

RESPONSE

We have had a very similar request to this at the end of 2017, as a result of this, our Estates Manager updated the enclosed document relating to Police Building closures which will provide the information you require.

I understand there are no further plans for any changes in public access and police stations.
