**RESPONSE**

In accordance with 1(1)(a) of the Freedom of Information Act 2000, I can advise you that South Yorkshire Police holds information in relation to your request and we are able to disclose this to you in full.

I contacted our administrator for South Yorkshire Polices Crime Management System. This system is used to record complaints or allegations of those matters which the Home Office specifies should be recorded as 'crimes'.

Our administrator has included a count of offences recorded on the CMS crime register for the years specified, recorded with a Hate Aggravating factor. Of these, we have provided a breakdown of the outcome\disposal status of each crime if currently recorded. The date parameters used within this query are when the offence was recorded and not the date of the outcome.

Please note - this is a count of offences, and not aggravating factors or offenders, as more than one aggravating factor and offender can be recorded on an offence.
