RESPONSE

I approached the administrator for South Yorkshire Police's Incident Management System.

This system records the majority of calls to South Yorkshire Police requiring the specific deployment of police resources, whether reported by members of the public via 999 or 101 or 'happened upon' by officers and staff in the course of their duties.

As there is no generic incident title that meets the criteria of your request, our administrator has searched for incidents where the keywords are mentioned within the free text boxes of the incident log, for the time period specified.

They have advised the following:

I have run a search on the following and have had no results for the period 01/01/2019-31/12/2019

Dogs chasing sheep

Dogs worrying sheep

Dogs attacking sheep

Dogs Injuring sheep

Dogs killing sheep

Therefore our response is one of "No Information Held"
