

## **Third Party Hate Crime Reporting Centres in Sheffield**

Third Party Hate Crime Reporting Centres provide individuals with the opportunity to report Hate Crime, either as a victim or a witness, to locations not directly affiliated with the Police.

There may be many reasons that a person wants to make their report of Hate Crime via a third party rather than directly to the Police, and this is ok.

The most important thing is that all hate crime is reported so that South Yorkshire Police, Sheffield City Council and other partner agencies can fully support the victims, appropriately deal with the offenders and accurately record Hate Crime in the city.

The following are current Third Party Hate Crime Reporting Centres in Sheffield. Further locations will be added in the near future.
